

Tri-State Jazz Society, formed in 1988, is dedicated to the preservation and live performance of traditional jazz. Concerts featuring leading professional soloists and bands are presented throughout the year. Events are open to the public and all who enjoy traditional jazz are invited to join. The society is a non-profit educational corporation supported by its members.

Admission Prices

General admission to band and piano concerts is \$20 unless otherwise stated. Non-members are invited to attend their first concert for half price (\$10). If they join, admission is free for new members' first concert. Like all other members, they will pay half price at all regular concerts for the balance of their 12-month membership. High school and college students with school identification are admitted free to all concerts. Younger children with a paying adult are also free.

Membership

Basic dues are \$20 per person. New and renewal memberships can be started in any month and run for 12 months. In addition to half-price concert admissions, members receive the *Strutter* newsletter by email. Premium memberships help sustain and expand the work of Tri-State Jazz Society. Individual Sponsors contribute at the \$50 level (\$70 for couples); Patrons, \$100 (\$120 for couples); Sustainers \$200 or more (\$220 or more for couples).
